

Aperol-Spritz

5 cl [Aperol](#)

2 cl orange juice (direct juice)

[Champagner](#) or [Prosecco](#) waht you want

[ice cubes](#)

1 cl orange syrup or 1 [Barspoon](#) powder sugar

fresh lemonthymian

as deco:

honey

[blue decor sugar](#)

BIO orange cuts

borage flowers

[straws](#)

[Aperol glases](#)

shaker

Preparation:

1

Brush the edge of the Aperol glasses (white wine glass) with honey and dip in sugar.

In the shaker, shake the cube, aperol, orange juice and syrup vigorously for about 5 seconds.

Drain through the strainer into the prepared glasses for further ice cubes.

Fill with some champagne or prosecco and serve with lemon thyme, orange slices, borage flowers and straws

I wish a nice trip to Bella Italia.

Lucina´s Tips:

Shaker ist nicht unbedingt notwendig – man kann die Zutaten auch direkt im Glas verrühren
Aperol Gläser – man kann Weißwein Gläser verwenden.

Viel Glück und guten Appetit!
